About these books

- Put together by club volunteers to help our members prepare for grading.
- **Still to come:** the remaining belts, step sparring and our club-specific drills.
- They follow our own syllabus, so some line work, techniques and theory are unique to our club. If in doubt, ask your instructor.
- Spotted something, or have an idea? Constructive feedback is always welcome. Please speak to WM Hardwick, Mr Hardwick or Mr Turton.

Train hard. Revise often. Grade with confidence.
